

STATE OF NEVADA DAIRY COMMISSION
Remittance Instructions
Nevada Dairy Distributors and Nevada Processing Plants

If there are questions regarding the remittance report call:

Reno Office (775) 688-1211 or Las Vegas Office (702) 486-8212

Monthly Nevada Dairy Products Remittance Reports should be submitted to:

State of Nevada Dairy Commission
4600 Kietzke Lane, Suite A107
Reno, NV 89502

Filing:

1. Each Retail Store, Peddler Distributor and Processing Distributor is required to file a monthly Nevada Dairy Products Remittance Report even if no sales/distributions were made.
2. All Nevada Dairy Distributors and Processing Plants must file a monthly remittance report on dairy products distributed in Nevada and not purchased from another Nevada licensed dairy distributor.
3. Distribution must be reported in the appropriate marketing area.
4. Do not add additional categories and weights. Please use the general categories listed on the remittance return.
5. Report only whole numbers for gallons and pounds.
6. If the assessment for a month is less than \$3.00, payment may be delayed for three months, or until the cumulative assessments are \$3.00 or more, whichever occurs first. NRS 584.649(2).
7. Payments postmarked after the 20th of the month following the report month will be assessed a penalty at a rate of \$10.00 or ten percent of the total due and owing, whichever is greater. NRS 584(649)(3).
8. Please be sure to make a copy of the Nevada Dairy Products Remittance Report for your records.

Fluid milk and cream:

1. Report acidophilus, lactase reduced products, and goat's milk in their appropriate category, such as whole (homogenized), 2%, 1%, etc.

Frozen dairy:

1. The Nevada State Dairy Commission will accept 36 novelties = one gallon - only in the absence of actual knowledge of novelty ounces.
2. Frozen Yogurt Mix is reported as Frozen Mix.
